Keywords (up to 5):

Is this abstract part of a submitted symposium proposal? Yes No

Preference for presentation: Oral Poster No preference

Include Abstract email attachment with the following appropriate formatting:

(See next page)

Abstract Title (Times New Roman, 14pt, Bold, max 120 characters)

First Author's name¹, Second Author's name², Third Author's name³ (Times New Roman, 10pt, Italic)

¹ First Author's Institute (Times New Roman, 10pt, Normal)

² Second Author's Institute (Times New Roman, 10pt, Normal)

³ Third Author's Institute (Times New Roman, 10pt, Normal)

*Please underline the name of the author who will be presenting the paper

Background and Aim:

A brief Background outlining the wider context that generated the study and the specific issues or hypotheses the study addresses (Times New Roman, 12pt, Normal).

Methods:

A brief Methods section with enough detail to ensure reproducibility of the research (Times New Roman, 12pt, Normal).

Results:

A Results section that uses appropriate descriptive and analytic statistics to summarize data (Times New Roman, 12pt, Normal).

Conclusion:

Conclusion section that summarizes key findings, highlights antecedent literature on the topic, explains what the current study adds to existing (Times New Roman, 12pt, Normal).
